April 19 2020

What was your “lightbulb” or “a-ha!” moment from this week’s message or scripture? Something that was new and illuminating to how you think?

What is your “question mark” from the message – something that you have questions about?

What is your arrow or conviction from the message and what are you going to do about it?

- Where have you experienced friction in your life where your knowledge on something was not in alignment with your actions or how you lived your life?
- What is more important: believing the right things or living the right way? Explain.
- What do you think is the biggest stumbling block to becoming the kind of person you want to be? Knowledge? Coaching? Training? Discipline? Obedience? Something else?
- How can I pray for you?
